KINKY TRIO ARRESTED FOR HAVING A THREESOME

By BRAD CHADWICK

A THREEOME between a couple and another woman turned violent – with all three ending up at the police station.

Steven Lopez and Angela Viviana Velez Vazquez invited over Della Draper for a “romantic interlude” at the couple’s home.

While they were in bed together, all hell broke loose when Draper insulted the size of Lopez’s manhood and made a disparaging comment about Vazquez’ privates.

**UNIVERSITY TEACHES
ON-SCREEN NOOKIE...****GET A

IN
MOVIE SEX!****GROUNDBREAKING:**
Normal People stars**A UNIVERSITY is offering
a degree in MOVIE SEX.**

Ita O'Brien, the intimacy co-ordinator who worked on the hit show *Normal People*, is helping to launch a master's degree in the subject, making it a world's first.

Applications open this week for the two-year course starting in September, which aims to meet soaring demand in the film and TV industry.

Up to 16 students will study the Master of Fine Arts degree at the Mountview Academy of Theatre Arts in Peckham, south London, which is accredited by the University of East Anglia.

Fees for the first year will be £15,295 for British and Irish students, with those from overseas charged £18,765.

This will be reduced in the second year as students will spend much of their time on work placements.

Boundaries

Students will be taught about topics such as power dynamics between performers and producers, how to manage consent and boundaries, the best ways to cover actors' intimate areas, and understanding contracts and waivers.

They will also put the theory into practice in workshops, and will be required to write a dissertation at the end of the second year.

In the wake of the #MeToo movement came more concern for the welfare of actors and

actresses, and a growing clamour for tighter controls when filming sex scenes.

O'Brien, 58, also worked on Channel 4's *It's a Sin* and the recent Netflix adaptation of *Lady Chatterley's Lover*.

Through her company Intimacy on Set, Ita has pioneered guidelines for the industry that have been widely adopted.

They include making sure all genitals are covered appropriately, that any sex scenes be done on a "closed set" – with the bare minimum of crew members in attendance – and that no initial auditions or screen tests ask for nudity or sex.

O'Brien, who is also an actor and dancer, studied movement at Mountview in 2006 but said that, during her master's degree, the subject "wasn't taught much at all".

She launched the degree as she is asked by "at least" two people each day to help them get into the industry.

MURIEL'S Wedding beauty Toni Collette says she refuses to have someone oversee her sex scenes on set because she has always felt comfortable with her co-stars.

The 50-year-old (right), said: "I think it's only been a couple of times where intimacy co-ordinators have been brought in, and I have very much trusted and felt at ease with the people I was working with."

"It just felt like those people who were brought in to make me feel more at ease were actually making me feel more anxious."

Mummies star Sean Bean recently suggested intimacy co-ordinators "spoil the spontaneity" of actors' sex scenes.

Killer lived with dead victim for three months

A WOMAN was found guilty of killing her fiancé and living with his body for two months until officials discovered he had died. Tabitha Zelida Wood, 46, was found guilty by a Hall County, Georgia, jury of killing and concealing the death of her fiancé last year. Officials said they learned of the death of Leroy Franklin Kramer Jr, 82, after his stepdaughter reported in June that she was concerned for his safety after not hearing from him for several months. Hall County Sheriff's deputies then arrived at Kramer's home and discovered his body. They were told by Wood he died in April and she had been living with his corpse since. His cause of death appears to be blunt and sharp force trauma. Wood was found guilty of murder, assault, exploitation of an elderly person, concealing a death of another and fraud.

£15 billion to fix POTHOLE

THE cost of clearing Britain's pothole backlog has reached a record high of £14.6billion – up nearly £1.5billion on last year. It would take 11 years for local authorities to fix every crumbling road in England and Wales, up from nine years in 2022. Last year the trade body found it would cost councils £12.64billion to fill in all potholes – but since then the repair bill has risen by 11 per cent to £14.02billion.

SHE'S been enjoying her time event-hopping across Paris over recent days for the city's Womenswear Fashion Week.

And Noah Cyrus looked sensational while heading to the front row of the Avellano catwalk show. The singer, 23, showed off her style in a latex maxi-dress which featured a high-neck and long-sleeve design. Accentuating her figure, the form-fitting garment then fell into a slight mermaid-style as it hit the floor with its train. **Undertit** And Noah's appearance comes as she has been city-hopping between France and Italy for the season of style. Miley's kid sister arrived in Paris a few days back and was spotted at the Off-White and Weinsanto shows, after spending time in Milan for the city's fashion week. An onlooker said: "I bet she builds up a bit of sweat in the undertit. If she'd like me to lick it off, I'd be happy to help." Anyway, here are some more sexy babes in rubber frocks...

Offer should end rail strike says minister

TRANSPORT Secretary Mark Harper has urged the RMT union to put a pay offer to its train company workers so next week's rail strikes are called off.

He issued the appeal after members of the RMT in Network Rail voted to accept an offer to end the long-running dispute over pay, jobs and conditions.

Members voted by 76 per cent to 24 per cent in favour, signalling an end to the bitter row, which led to a series of strikes in recent months.

The union said the deal includes an uplift on salaries of between 14.4 per cent for the lowest paid to 9.2 per cent for the highest paid, backpay, a no compulsory redundancy agreement until January 2025 and rail travel benefits.

It also opened the door for reforms in how Network Rail runs maintenance.

Mr Harper said: "I want the RMT to put what is broadly the same offer to their members who work for the train operating companies and call off next week's strikes."

COVID advice scared Brits into breaking rules

OFFICIAL COVID advice which raised "fear levels" to encourage people to obey pandemic rules led people to act dishonestly and attempt to jump the queue for vaccines, a new study has found.

But those with money worries caused by lockdowns were no more likely than others to make a fraudulent claim for furlough cash, research from the University of Southampton discovered.

The research team presented participants with future pandemic scenarios, with varying degrees of health risk.

Participants were then asked to complete a questionnaire, like that used by the NHS in 2021 to prioritise vaccinations.

Prof Dr Ian Dawson said the more people were scared by official advice, the more likely they were to bend the rules.

OnlyFans murderer demands sex visits in jail

Florence Phew!

OSCAR nominee Florence Pugh had all eyes on her as she arrived to a screening of her new film, *A Good Person*, at Metrograph in New York.

The British 27-year-old put on quite a show as she revealed loads of side-tit in a stunning frock.

An onlooker said: "I'd love to see her on the toilet. I bet she pisses like a carthorse. Mmmm!"

THIS LAG NEEDS A SHAG: White is desperate for cock

AN OnlyFans model jailed for life for murdering her partner has whinged from her jail cell – saying she wants 'conjugal visits' with a new man.

Abigail White, who earned around £50k-a-year posing on the site – calling herself 'Fake Barbie' – was jailed for life, with a minimum term of 18 years at Bristol Crown Court in October last year.

The court heard how mum-of-three White, 24, was one of the 'early pioneers' on OnlyFans and made a 'fortune' sharing erotic content.

But after a row with her boyfriend, Bradley Lewis, on March 25 2022, she stabbed him in the heart at their home in Kingswood, Bristol.

White told the court that Mr Lewis tried to 'control her' and her money from OnlyFans and claimed he 'walked into' the kitchen knife she was holding, adding it was 'not a big stab'.

Spurting

She told the court: "I went over to him to shock him, to scare him with the knife and before I knew it, I had stabbed him."

White – who had previously stabbed Mr Lewis in the arm – said she realised it was serious when she saw 'blood spurting out of him', adding: "It was really bad."

A post-mortem found Mr Lewis, 22, suffered a 7cm-deep wound to the chest, with the knife entering his heart.

Writing in lags' mag *Inside Time* in the latest March edition, White said she was shocked prisons don't let partners into women's jails.

She said that prison chiefs should take into

account 'her needs' and allow men to stay overnight with female lags.

Writing from her cell at HMP Eastwood Park in Gloucestershire, White said: "It has come to my attention, after recently being sentenced to 18 years, that prisons do not facilitate overnight stays for women prisoners and their partners."

"I think they should take into account and consideration our needs, and allow men and women to have overnight stays together."

"I would like to know what other prisoners think, as quite a few girls here agree."

White admitted manslaughter, but was found guilty of murder and jailed for life, being told she would serve a minimum of 18 years behind bars before being considered for parole.

Mr Justice Peter Donald Fraser, jailing White in 2022, told her: "Not only will your three children grow up without a father, but they will grow up knowing their mother murdered their father."

A Prison Service spokesperson said this week: "Prisoners see family during daytime visits which are supervised by staff."

Ozone in the hole for Gwyn

HOLLYWOOD beauty Gwyneth Paltrow has revealed she once had OZONE blown up her BUMHOLE!

During an appearance on Will Cole's podcast *The Art of Being Well*, the Goop goddess, 50 (above), revealed the treatment was the "weirdest wellness thing" she's ever done.

"I have used ozone therapy, uh, rectally," Gwynnie admitted during the podcast, which was posted in a video clip on TikTok.

"It's pretty weird. But very helpful." Ozone therapy, according to the Cleveland Clinic, is when medical-grade ozone gas – ozone is a form of oxygen – created by using an ozone-generator device, is administered to your body.

Although there is only "limited evidence" regarding the benefits of ozone therapy, some believe it helps improve blood circulation, boosts the immune system, defends from bacteria and fungi and reduces "oxidative stress" caused by an imbalance of oxygen-reactive species in your cells.

Oral with dog man is jailed

A MAN convicted of filming a nude person without their consent and committing bestiality with his dog has been jailed for 60 days.

Timothy Moran, 46, was sentenced to six years in jail with all but 30 days from each charge suspended.

He will have to register as a sex offender after he pleaded guilty to the bestiality charge back in December and pleaded no-contest to the filming charge this month.

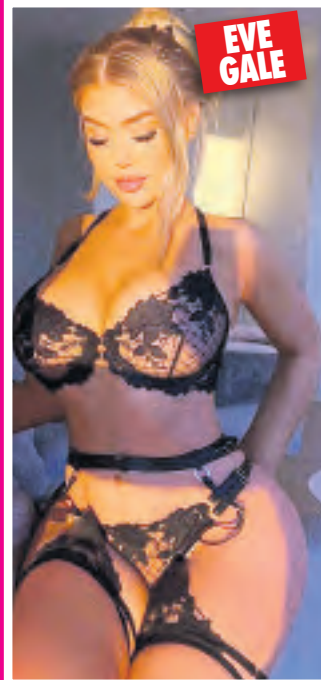

A family member reported finding a video that showed Moran receiving oral sex from his dog, JB, in March 2021, at Moran's wife's home in Hampton, Virginia.

Jessica Burton-Moran, who's currently divorcing Moran, said she was the woman he filmed without her consent, adding that she's surprised at how short his sentence is.

NOW COFFEE IS RACIST!

THINKING of popping out to one of Britain's numerous coffee shops and ordering a nice brew for you and your workmates?

Stop right there! Because drinking coffee is RACIST! That's the latest balderdash from woke warriors who claim that far from being an innocent stimulating cuppa, drinking coffee actually "perpetuates white supremacy".

And coffee is "now a pillar of white supremacist capitalism". The tripe was spewed on the website *Afru.com* – an outfit that describes itself as being "a Black-led and majority Black-owned startup that combines fashion and streetwear with lifestyle commentary to create a strong social justice brand that is relevant and attractive to folks from all walks of life".

The article burbles: "Every facet of the coffee industry, in fact, is rooted in racism."

Fruits

"From the moment the whites viciously stole coffee from Black and Brown People to the present-day Karen sipping her morning cup of white supremacy, whites have been able to drink the fruits of our labour and our culture with impunity."

The article goes on to claim that coffee is racist because black people can't afford pricey blends in trendy cafes.

It also claims that having milk in your coffee is double-racist and demands that

Well, specifically, arse implants. After years of trying to shed pounds from their rear ends, ladies are now getting surgical help to make their trumps **BIGGER**.

But, according to boffins, arses are also getting larger all on their own.

Arse researchers at the University of Helsinki said that in the last 10 years, bums have grown, on average, by 6% in the Western world.

So to pay tribute to rears getting bigger, here are some of the most biteable bums on the planet. Enjoy!

Man held gun to masseur's head for oral

A MAN was arrested for demanding sex acts from a massage parlour worker while holding a GUN to her head.

Timothy Paul Taylor, 35 (above), entered A1 Massage in Eustis, Florida, through their back door and went up to the woman, who was alone at the business.

He asked her to perform oral sex and when she told him the business doesn't engage in that sort of activity, he pointed a weapon at her head and ordered her to suck him off.

But she stood firm and again said no, but Taylor threatened to kill her if she called the police before he fled in a car.

The woman, who was uninjured, called police from a nearby business.

The Lake County Sheriff's Office used a helicopter to help search for Taylor, who dropped off the car at his family's home.

And his mum helped cops collar him.

He now faces several charges including attempted sexual battery, aggravated battery with a weapon and resisting arrest.

Sex flags slur Tory is axed

A TORY councillor has been suspended pending a probe after posting on Facebook that she did not want Pride "sex flags" on "her" high street.

Angela Kilmartin, a councillor on Braintree District Council in Essex, posted: "I don't want Pride sex flags along my high street. I don't even want heterosexual flags along my high street."

"Sex is for the bedroom and private life, not for displaying preferences in public."

Mrs Kilmartin has been suspended from the local Conservative group for 21 days pending further investigation.

Michael Lager, the town council Conservative leader, said: "We dissociate ourselves totally from the reported remarks from this particular member."

Mrs Kilmartin plans to step down as councillor after 16 years ahead of local elections on May 4.

SAUCY Candice Collier has such a high sex drive she always carries a SEX TOY with her in her handbag.

The babe told us her fave bedroom aid is her pocket rocket vibrator, because it never fails to hit the spot.

And lovely Candice, who hails from Cheshunt in Herts, said the vibrating toy is small enough to take with her wherever she goes.

The 34D scorcher said: "My best sex toy would have to be my pocket rocket. It's really tiny, so fits in my handbag."

"It vibrates like crazy and does the trick in seconds, so I can make myself orgasm wherever I am."

"It's especially useful as, when I'm working, it's usually away from home."

"Playing with myself in hotels is very sexy, and it's just as good as having a screaming orgasm at home!"

KILLER RIPPED OUT VICTIM'S HEART

BACK
BEHIND
BARS:
Lawrence
Anderson

VICTIM: Andrea
Blankenship

By KIT JACKSON news@sundaysport.co.uk

A MAN who was recently released from prison is back behind bars after pleading guilty to killing three people – ripping out and cooking the heart of one victim.

Lawrence Paul Anderson was given a life sentence after he pleaded guilty to multiple counts of murder, maiming, assault and battery in connection with the vicious 2021 slayings of Andrea Lynn Blankenship, 41, his uncle Leon Pye, 67, and Pye's young granddaughter Kaeos Yates.

His aunt, Delsie Pye, 66, was also injured in the attack.

Anderson avoided the death penalty in exchange for his guilty pleas, as per a request from the victims' families.

Rot

Victims' loved ones lashed out at the killer in court, with one telling him to "rot from the inside out".

Kaeos's mum, Tasha, delivered 'impassioned victim impact statements read before Anderson's

sentencing, at one point yelling: "Who kills a baby... who does that?"

Prosecutor Jason Hicks said the victims' families did not want the case to go to trial, adding: "They don't want to sit in a courtroom and listen to all the gory details of what happened to their loved ones."

Anderson unleashed his gruesome attacks in February 2021, just weeks after being freed from prison when his 20-year drug-related sentence was commuted in response to a mistaken recommendation from

Oklahoma's Pardon and Parole Board.

He fatally stabbed Ms Blankenship after breaking into her house, authorities said.

He then removed her heart and took it with him to the Pyes's home.

According to the police, he cooked the heart and tried to feed it to his relatives before then stabbing and killing his uncle and four-year-old Kaeos.

His aunt was also repeatedly stabbed but survived the ordeal.

Thief flees cops using skateboard

A MAN wanted over a carjacking tried to flee from the police on a SKATEBOARD.

Pedro Villalobos jumped out of a stolen pickup truck holding a skateboard after losing control of the vehicle in a police chase.

Half a dozen cops, who had pursued Villalobos in Los Angeles, had their guns raised when he abandoned the truck which was pulling a trailer.

Villalobos, donning a hard-to-miss reflective yellow vest, took off down the dark street and smoothly jumped onto the skateboard.

LA police said: "Several officers pursued Villalobos on foot while other units chased in their cars."

An officer eventually jumped out of his cruiser and pushed Villalobos off his board as he tried to swerve around the cop.

He was since been charged with vehicle theft and reckless evading.

HOOKER GAME TEEN PULLED FROM CLASS

A MOTHER pulled her 13-year-old daughter out of school after she found out she had been asked to play the role of a "seducing hooker" in a game in class.

Laura Maria Gruber, 45, sent her daughter to KIPP Poder Academy in San Antonio, Texas.

The school's website claims to celebrate "diversity, equity, and inclusion".

But Gruber pulled the teen out of the school after she found out her teacher got students to play a

game called "Bear Hooker Hunter" – a kind of X-rated version of rock paper scissors.

Gruber claims her daughter and other kids in the Social Emotional Learning class were paired up with one another and struck poses at the front of the class.

The teens were told to pretend either they were a hunter and to point an imaginary gun at one another, a scary bear with its paws up, or a seducing hooker with one hand on a hip

and another behind their ear.

The game is thought to be some form of team-building exercise.

The school has since apologised to Ms Gruber, after she demanded one.

Rat owner held for waving pet at commuters

A LOON was nicked for threatening commuters with his pet rat, Jerry. Bostonian Jeffery Stuart was showing Jerry into innocent commuters' faces at the Oak Grove Station in Malden, near Boston in Massachusetts. A video captured Stuart pointing at commuters with Jerry clutched in his fingers as he swore at them. "You're f*cking with society. That's exactly who the f*ck you are," Stuart said as he held Jerry near the face of a masked woman, who quickly looked at the rat before looking back at her phone.

Nightmare
"Welcome to your nightmare. Welcome to your nightmare. Yeah!" Prosecutors said in court the 57-year-old (above) was carrying an open bottle of vodka and yelling as he used Jerry to menace folk. Stuart faces multiple charges, including disorderly conduct, while Jerry was sent to Animal Control.

TIMES may be tough and we may have been hit by huge utility bills over the winter.

But while we've all been stocking up on woolly jumpers, the ladies have also been splashing out on some very sexy **UNDIES!**

Retailers report that sales of kinky knix are up a "significant" amount on last year, with revealing scanties showing particular growth.

Industry insider Claire Wolfram said: "It's almost as though people are trying to cheer themselves up in these dark times by wanting to look and feel sexy within themselves."

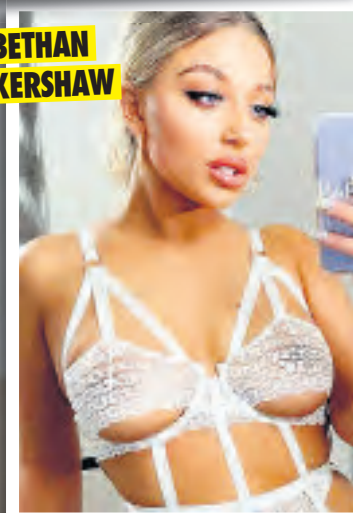

"And, of course, having sex is a great way to warm up!"

#MY SEX FANTASY

'He orders me to take it deep then spanks me'

...WITH JESSICA MOON, 35E, FROM BASILDON, ESSEX

MY fave thing to explore in bed is being dominated - nothing gets me going quite like a strong confident man taking control of things.

I like men who look a bit rough... with a shaven head, lots of muscles and loads of tattoos! Someone who, as soon as you see them, you just know they would throw you round the bedroom. The bloke would tug my hair and spank my bum. I would be totally submissive and tell him I'll eagerly do anything he wants. Then he would order me to get on my knees and suck his

cock, and I would go weak at the knees. In my wildest fantasy he would put me in a restrain chair which has cuffs for my hands and feet. He would have total power of me and I would be totally helpless. He would tower over me and tease me, asking if I'd been a naughty girl and needed punishing. He'd call me his sex slave and make me call him Master. He'd thrust his dick in my mouth and order me to take it deep, then spank me some more, before forcing my legs open and f*cking me hard. This is the type of porn I watch and it's a huge fantasy. I'm horny just thinking about it - I hope it happens soon!

LOVELY Lauren Louise has a thing for men in UNIFORM, but she's not fussy who services her!

The beauty, from Derby, said she gets really turned on fantasising about having sex with a hunky soldier or policeman.

Lauren, who boasts a 34D top rack, said: "I dream about being pulled over by a copper on the motorway and he's giving me a right ticking-off."

"Then I suggest there must be some way to avoid a ticket, and give him a cheeky wink."

"Next thing I know he has his handcuffs out!"

"And maybe he'd give me a little spank on the bottom with his solid truncheon!"

"Shagging a soldier is another fantasy of mine – just the thought of all those muscles bursting out of his neat uniform."

"You could say I have a bit of a uniform fetish, and I'm happy to do my bit and put on my saucy college girl, naughty nurse or French maid outfit and join in the fun!"

#HOT'N' HORNY

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

A welcome for all... on OUR credit card

FOUR hundred hotels dotted around the country, but mostly in northern England and the Midlands, at a cost of around £6million per day, are housing some of the 51,000 people who should not be in this country.

They may have the best reasons in the world to be here – “fleeing persecution”, for instance, that old fall back – but we all know that many of them do not.

And when I say “we all know”, what I mean is that’s what many feel. That they are taking the piss.

That if you wanted to steal your way into the United States, for instance, you run the risk of staring down the barrel of a gun.

Or if you want to try overstaying your visa in Thailand, as another for instance, you play with a legal system that includes the “Bangkok Hilton” prison where work detail includes shovelling drug-addled inmates’ shit.

Just forget about trying to do it in Indonesia.

They have one of the strictest penal systems in the world that includes the regular use of firing squads.

Australia? No chance. Not now that they simply block the boats and direct them to the middle of the vast, deserted South Pacific ocean.

Now, you might be OK if you somehow managed to sneak into Siberia or northern Canada, via the North Pole, but it won’t be any fun getting or staying there.

If you don’t die of frostbite or hunger, then at least you’ll provide a polar bear, or – in Siberia’s case, a vodka-crazed cannibal – a decent square meal.

Italy already has enough “refugees”, thanks very much. So does Germany. And France, too.

In Paris, they live in tents near the famous capital’s most prestigious shops and their huge mansions, until the locals give a big Gallic shrug and the migrants are directed to Calais.

And that’s where the fun really starts...

Pearl-clutching British charities

like Care4Calais await, arms open wide, with “care packages” and a canny knack, unlike the police seem able to achieve, of knowing exactly where the illegals are.

In the middle of the Channel, border force patrols and the Royal Navy and the lifeboats bob up and down on the waves waiting for the next flotilla.

The moment they hit half way, it doesn’t matter if their engine conks out or the whole thing sinks because good ol’ Blighty is there to pluck you out of the cold waters.

And then we’ll stick you in a three or four star hotel, feed you, clothe you, somehow get a phone into your hand, and then many of you will disappear in the middle of the night and join a drug gang.

Older readers may remember *Not the Nine O’Clock News*, the vehicle which first introduced us to *Mr Bean* creator Rowan Atkinson.

It was back when BBC comedy shows were funny – so a long, long time ago... 1980, in fact.

Busty

One sketch featured a very busty Pamela Stephenson, now the wife of Billy Connolly, taking the proverbial out of what was the American Express marketing slogan at the time.

Ironically, she played a hotel receptionist who, presented with an Amex card, reacts with: “That’ll do nicely, sir.”

Then she opens her blouse, reveals her bra, and says: “And would you like to rub my tits, too?”

The sketch then ends with a voiceover saying: “Stick your head between them and go blubber, blubber, blubber.”

That was satire. Now it’s reality.

It’s costing us all a fortune – six million quid a day – without even getting anything at all to blubber between in return.

And it’s all on OUR credit card, not theirs.

Dentist hubby poisoning rap as missus dies

A DENTIST was nicked for poisoning his wife in what police call a "heinous, complex and calculated murder".

James Toliver Craig (above), of Aurora in Colorado, had driven his 43-year-old wife to the hospital after she complained of dizziness and severe headaches, Aurora police said.

Soon after arriving, her condition rapidly deteriorated and she was put on a ventilator in the ICU before being declared brain dead.

Doctors decided to take the victim off life support on Sunday, but they believed her rapid deterioration was suspicious and reported it to the police.

The Aurora police's Major Crimes Homicide Unit launched a probe and found the victim was poisoned, allegedly by 45-year-old Craig.

Division Chief Mark Hildebrand said in a statement: "It was quickly discovered this was in fact a heinous, complex and calculated murder."

Craig faces a murder charge and is being held in the county jail.

Tequila shortage down to drought

ON top of everything else, now the world faces a **TEQUILA** shortage...

Extreme weather during the past few years in Mexico and other areas of the world has hurt crop production of the base and main ingredient in the popular spirit, according to Everstream Analytics' chief meteorologist Jon Davis.

"At a time when large agave crops are needed to meet demand, the extreme weather in Mexico is increasing the problems and the potential for scarcity of the product," Mr Davis said.

"The succulent crop can withstand a great deal of stress from drought, but when conditions are this extreme, even a crop like agave suffers."

"Global demand for tequila has been on the high side during the past few years, which has increased the need for large agave harvests to fulfil demand."

AS FORMER PRESIDENT FACES ARREST, PORN STAR CLAIMS:

SEX WITH TRUMP WAS PATHETIC!

SAVAGE: Stormy (left) posted brutal tweet about Trump (right)

STORMY Daniels has issued a brutal takedown of former US President Donald Trump.

Her savage tweet came only hours after Trump revealed he fears he will be arrested over claims he paid off the porn star in the wake of their apparently sexual relationship.

In response to a tweet mocking her alleged romp with Trump, one Twitter user shared a bunch of laughing emojis alongside the text: "Trump hit that" – slang for sex.

Daniels wasn't impressed at being the butt of the joke, so she deftly turned it into a savage burn.

"Hit is very generous," she wrote, sharing the original tweet.

"I'd say more like a 'pathetic thump', but whatever."

Stormy's followers on Twitter were thrilled by her assessment of the former US President's alleged sexual performance, with one user saying: "Ooooo! That one burns!"

A second added: "She just won the internet. FOREVER."

And a third wrote: "Absolutely savage. Well done."

The 45th US President said that he is set to be arrested because of allegations he paid Daniels to stop

her revealing the details of an alleged sexual relationship between the pair.

Sharing a post on his Truth Social platform last week, Trump said that he "will be arrested on Tuesday of next week".

New York law enforcement are thought to be preparing for the potential arrest of the former Yank leader, and he could be indicted over the coming weeks to appear at a court in Manhattan.

Rambling

In Trump's rambling post, he wrote: "Page 2... now illegal leaks from a corrupt and highly political Manhattan district attorney's office, which has allowed new records to be set in violent crime and whose leader is funded by George Soros, indicate that, with no crime being able to be proven, and based on an old and fully debunked (by numerous other prosecutors) fairytale, the far and away leading republican candidate and former President of the United States of America, will be arrested on Tuesday of next week. Protest, take our nation back!"

MISS SEDUCED TEEN WHILE PLAYING CALL OF DUTY

SUPPORTERS of a young female teacher who sexually abused a student yelled "I love you, you'll be OK," as she was jailed for the serious abuse of trust.

The 25-year-old pleaded guilty to grooming a child under 16 for sexual conduct, sexual penetration of a child and possessing child abuse material.

The young woman – who cannot be named for legal

reasons – appeared in court via a videolink wearing a green prison jumper and large clear-frame glasses.

She was seen nervously squeezing a red stress ball as details of the abuse were read to the court.

The court heard she was in her second year of teaching at a school in Melbourne, Australia, in 2021 when she began telling the male student she

"wanted to become friends outside of school".

They began exchanging messages on social media and playing video games like *Call of Duty* together, before she told him she loved him in July that year.

She picked him up from his parents' house and drove to a nearby football field where she told him she was "willing to risk it if he was".

"If we get caught I'm going

to jail, I'm going to lose my job," she said.

The pair began a sexual relationship, regularly meeting before her victim's parents discovered explicit text messages in November.

In a victim impact statement they said her actions had 'tarnished' their relationship with their son.

The offending had a 'devastating toll' on the family and 'deprived' their

son of a normal childhood.

"You were in a position of trust and you groomed the victim in order to engage in sexual conduct," they said.

The court heard the young woman had since been diagnosed with major depressive disorder which a psychiatrist found may have impacted her decision making ability.

She was jailed for three years and nine months.

THE WORLD FAMOUS AGONY Page

Dear Sam,

THE other week I found a film clip on the internet which I'm pretty sure is of my girlfriend and two blokes – having sex.

Imagine my shock when I saw her sucking on a huge cock while she was being boned from behind.

Then I watched in amazement as she sucked both their cocks at the same time.

She then lay on the bed while they wanked all over her tits before screaming her head off as she had one cock up her arse and one in her fanny.

This shocked me more than anything else because she's always been so reluctant to experiment sexually like that with me.

Even though I realise she may have made this film before we ever met, I can't get it out of my head and refuse to delete it off my home computer, as I still like to watch it and have a tug when I'm alone.

Is this normal behaviour?

DC, Newcastle

Sam says...

WHY not ask her to make your own video together.

Dear Sam,

I'M a married businesswoman who was in charge of a big sales firm, bossing around dozens of men.

But this all changed last month when the firm was taken over and a new chief exec arrived. He's a pushy type but really fit who is always effing and blinding at the staff.

At first I put up with him, but one day I blew my top when he criticised me. When I calmed down he smiled and said there was only room for one boss and I'd have to learn my place.

I found myself getting turned on by his words and then he grabbed me, bent me over his desk, pulled up my skirt and gave me a good spanking!

I was so shocked I did not try to resist and he then teased my fanny with his expert fingers until I was virtually begging for him to f**k me over his desk.

Now when I'm randy, I am deliberately rude to him and he spanks me. Is this a normal working relationship?

DS, Sussex

Sam says...

NO – but it sounds like you've got everything in hand. I.

Office cleaners enjoyed playing dirty with me

Dear Sam,

I'M a night security guard at an office block and my routine is usually pretty boring.

But one night last week I was doing my rounds when I heard sexy giggling coming from one of the offices.

I carefully peeped in and was amazed to see two of the fit young cleaning girls, both about 19 or 20, naked and touching each other up!

Instantly my Johnson stiffened as I stood and watched the babes running their hands over each other's bodies.

Then they started kissing each other deeply and toying with their stiff nips.

The blonde one then squatted

down and tongued the redhead's beaver before they swapped positions.

They must have heard me gasping as they both looked up at the same time and caught me watching their antics.

I thought they would go mental – but instead they beckoned me in!

Soon the redhead had my cock in her gob as the blonde straddled my face with her dripping muff.

Trouble is, I haven't seen them since and I'm shit-scared CCTV will have caught our romp and I'll end up getting sacked!

HF, Manchester

Sam says...

WELL at least you had some fun at work.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week **SAM TYE** has been reading through your letters. And here's her advice for you...

I bonked two horny sisters in pub toilet

Dear Sam,

I'VE had a bit of a problem since I moved to a quiet village six months ago.

I work in the pub and I've fallen for one of the locals. She's 29 and has a great figure.

We have a laugh and a joke every time she comes in and we fondle each other without the others in the pub knowing.

I'd really like to start up a relationship with her, but the problem is that I'm sleeping with her sister!

Sucking

I met her soon after I settled in at my little cottage and we've been an item since.

She's a great girl in her mid-30s and we have a lively sex life.

Recently we had a lock-in at the pub and when I went to the toilet the younger sister followed me.

She got my manhood out, pulled me into the ladies, ripped my jeans down and hitched up her skirt.

Then she pushed me against the wash basin and ordered me in no uncertain terms to f**k her.

After 10 minutes we were still going

for it when my girlfriend suddenly came in and caught us on the job.

She rushed over, barged her sister to one side, took her top off and started sucking me off until I came all over her massive tits.

I ended up shafting both of them – twice!

But the next morning, when we'd all sobered up, things were a little different and now they are asking me to choose between them.

I don't want to ditch either, as they both really turn me on.

What should I do?

PY, south Yorkshire

Dear Sam,

MY missus is a right kinky mare and I used to love it when she sucked my toes and licked my balls.

I even went along with it when she asked me to penetrate her with fruit and veg – the odd cucumber and banana.

But a couple of nights ago, she asked me to pleasure her with a massive German sausage we'd bought earlier at the supermarket.

I drew the line at this, but then she said I'd have to make my own tea in the future!

BL, Somerset

Sam says...

IT sounds like you're more keen on the younger sister, so I think your choice is an easy one.

Sam says...

WHY don't you sit down with her and work out what you BOTH want on the sex menu.

DO YOU HAVE A SEX PROBLEM?

Back seat sex pays for driving lessons

Dear Sam,

I'M a 19-year-old female student who is currently learning to drive.

I reckon I'm a decent looker with an attractive body and my instructor was very flirty with me from my very first lesson.

And when I told him I was skint as old arseholes, he said it wasn't a problem and that I could pay him "in other ways".

This means I now suck him off and let him shag me in the back seat of his car down a quiet country lane after each lesson.

He's 44, but he's handsome enough and physically very fit as he goes to the gym all the time.

Ramming

So he has a nice toned body and, best of all, he has a massive cock which is about eight inches.

I enjoy sucking his dick and he always licks me out before doing me from behind, ramming me hard and fast with his rock-hard cock.

But I'm starting to worry that he's not teaching me to drive that well.

I've had around 50 lessons so far and I have failed my test three times.

But he says I'm a good driver and I just need to be patient and carry on with the lessons.

What should I do?

PK, Essex

Sam says...

SCREW the examiner next time! Or find another instructor who won't take the piss.

Dear Sam,

I'M a 24-year-old blonde babe who loves to get attention by wearing high heels and tight skirts.

I'm due to get married in July to a really nice fella who treats me like a princess.

But the problem is I turn into a real slut when I'm pissed.

At last year's office Christmas party I got tipsy and had a lick of the boss's meat stick.

The other day I went to the pub with a few of my mates to talk about the wedding and it wasn't long before a fit, hunky fella caught my eye.

I followed him into the men's toilets and told him that I wanted his knob in my gob.

I quickly got my lips around his big shaft and played with his bellend as he massaged my clitoris.

But after he shot his load down my throat, he suggested he text a couple of his mates who were back out in the pub – if I fancied gobbling them as well.

Well, I told him I was well up for it and he got his pals in for a spunk fest.

Now I feel guilty my fiancé will find out and call off the wedding.

Help!

HG, Birmingham

Sam says...

ONCE you're wed, you should calm down a bit!

The busty blonde model admitted enjoying a steamy shag on the beach over the summer, with a bloke she met on holiday.

Boasting a fantastic 34C top rack, the Ipswich beauty flew off to Spain for a break and spilled the beans on all the naughty antics she got up to.

She said: "I met this fella one night in a bar and before long we were all over each other."

"We pretty quickly decided we wanted to be somewhere more private."

"We were so horny we couldn't make it back to the hotel, so we got down to it on the beach."

"It was so exciting knowing someone could see us and catch us in the act."

#HOT'N'HORNY

KINKY Charley Atwell has admitted that she prefers SEX TOYS to the real thing!

The babe told us bonking doesn't ever come close to the sheer pleasure she gets from satisfying herself with X-rated adult devices. Because she never fails to reach orgasm with a plastic throbber up her!

Charley, who boasts a pair of whopping 34Es, also said she can't go a day without treating herself to some steamy self-love.

The beauty, from Romford in Essex, said: "Unlike normal sex, I always climax when I use a vibrator."

"As soon as I get through the front door I'm upstairs, my knickers are off and the dildo comes out."

"I can spend hours just playing with my toys!"

**Andrea

**30G, from
San Diego**

WHEN the leaders of the US, UK and Australia met in San Diego to thrash out a defence deal last week, the chances are they did not get to meet the Californian city's busiest resident. Gorgeous Andrea Marquez calls the southern Californian city home and the sultry heat there helped her grow whopping 34G busters.

She laughed: "And unlike a lot of boobs in California, mine are all real!"

SHOW ME THE HONEY!

WELCOME to the interactive *Midweek Sport* – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to request [@sundaysport.co.uk](mailto:sundaysport.co.uk) telling us why you want to see your favourite girl, then sit back and let us do the rest.

REBEKAH

SO many people have been writing in for a return of veteran Rebekah's 34C bust that the call simply couldn't go unanswered.

Chris Chisnall, 47, is just one of those who can't get enough of the Birmingham beauty, admitting she really gets him hot under the collar.

The Newport brickie said: "Her boobs are still two of the best in the business, I trust you guys to deliver."

Not seen your favourite model for a while?
Drop us a note and we'll put her in the paper!
Email request@sundaysport.co.uk

ANNA TAVERNER

WAYNE Stokes is the lucky reader who selected the return of Anna Taverner's impressive 32D assets.

The Edinburgh-based customer sales rep told us he goes absolutely crazy at the thought of the Richmond, North Yorks lovely.

Wayne, 30, said: "She seems to have the perfect body, there simply isn't a thing wrong with Anna."

"Can you guys do the right thing and put her back in the paper, please?"

NATASHA ANASTASIA

WE'VE been inundated with requests to see the return of Natasha Anastasia.

Her perfectly formed 36C jugs certainly impressed IT consultant Stephen West, 49, who got in touch begging for another snap.

The Newham, east London stunna used to be a regular here at the *Sport*, so you can all thank Stephen for her return this week.

He said: "Always been a huge fan of Natasha. She'd be ideal to cuddle up to on these cold March evenings!"

BANBRIDGE

O'Brien sends his star pair to tackle Aintree

BANBRIDGE and Nusret will both be heading to Aintree as Joseph O'Brien shuffles his pack following the Cheltenham Festival.

The former was a staying on second in the Irish Arkle when last sighted and was declared to run in the Turners Novices' Chase won by Stage Star before the ground at Prestbury Park went against him on the day of the race.

He will now be redirected to Liverpool where both the opening day Manifesto Novices' Chase (April 13) over two and a half miles and the shorter Eft Systems Maghull Novices' Chase on Grand National Day are possible options.

Meanwhile, Nusret – who was among the favourites for the Boodles before swerving the Festival – will be set a Grade One assignment in the Jewson Anniversary 4-Y-O Juvenile Hurdle having picked up the Adonis at Kempton on his last raiding mission to the UK.

"Banbridge will go to Aintree all being well," said O'Brien. "He will have entries in the two-mile race and the two-and-a-half and he'll run in one of those."

"Nusret is going to Aintree as well. It will be a lovely race to run him in."

"I think he's right in the mix with the UK runners and I think he's right in the mix with his Irish form as well."

Home By The Lee is another who could make O'Brien's teamsheet for the Grand National Festival following his brave effort in the Stayers' Hurdle.

The eight-year-old rallied with great credit after making a juddering mid-race error and was a staying-on fifth at the line – beaten just shy of four lengths behind the victorious Sire Du Berlais.

The Liverpool Hurdle (April 15) is now a

TRAINER: O'Brien

possibility along with the Ladbrokes Champion Stayers' Hurdle at the Punchestown Festival (April 27) and an enterprising Channel-hopping trip to Auteuil for the Grande Course De Hues D'Auteuil (May 20).

"He didn't get the rub of the green and was lucky to stand up with the mistake he made, but he has come out of the race well," continued O'Brien.

"He has options in Aintree, Punchestown and in France – the French Champion Hurdle."

Staying closer to home, however, is one-time Derby favourite High Definition who got somewhat bogged down in the soft ground in the Festival-opening Supreme Novices' Hurdle.

The Owning Hill handler is yet to decide whether he steps the classy son of Galileo up in trip for his next outing or persists over the minimum distance – but he is on course to be seen at either Fairyhouse for their April Easter Festival or Punchestown later in the month.

"He just got stuck in the tacky ground a bit," O'Brien added.

"He jumped well all the way, but JJ said he knew after he had jumped two hurdles he was struggling a bit in the sticky going."

"We're looking at both options (in terms of trip) and he has options in Fairyhouse and Punchestown."

ALL THE TOP TIPS FOR TODAY'S RACING

NO CRUISE YET

No Cruise can set sail for big victory

NO CRUISE YET can make the most of a slight dip in class for the Tim Molony Handicap Chase at Haydock.

Sam England's charge was last seen coming home third in the Eider Chase at Newcastle, where he bumped into a well-treated rival in Kitty's Light.

Beaten nine and a half lengths in third, No Cruise Yet was 2lb wrong at the weights and raced far too keenly, with his early efforts eventually telling in the finish as he dropped away on the run to the line.

Winner

A narrow winner over the same extended three and a half miles he faces here back in November, No Cruise Yet looks progressive and could still have something to give off his current mark of 116.

Tuddenham Green was well beaten tried in Grade Two company when last seen and refreshed from a break he can make his presence felt in the Racing TV Juvenile Hurdle.

A hurdles winner at the first attempt back in October, Tuddenham Green then took second in a Listed contest at Wetherby, prompting Alan

WEDNESDAY'S TIPS

King to raise his sights at Cheltenham in November.

Beaten 18 lengths by Scriptwriter, he was patently outclassed but this looks far more his speed.

His trainer can also be on the mark with Grandeur D'Ame in the closing Haydock Park Racecourse Handicap Chase.

The seven-year-old is on a hat-trick after victories at Huntingdon and Stratford, with that second win coming just over a week ago in taking fashion.

He made all to win by 17 lengths and must shoulder a penalty for the win, although the handicapper will surely impose more than a 17lb rise for such a taking success.

Hurlerontheaditch posted a fair third on his return from a lengthy lay off and can build on that in the Every Race Live On Racing TV Handicap Hurdle.

The seven-year-old has had only three starts under rules, winning a Wexford bumper in March 2021 before changing hands for £85,000 later that month.

Second on debut for Kim Bailey, Hurlerontheaditch was then off the track for 439 days before returning at

Chepstow, where he could not go with the early pace before staying on well.

He clearly retains plenty of ability and can get off the mark over hurdles, with his opening rating of 114 looking competitive moving into this company.

Corey's Courage turns out under a penalty at Ffos Las and the hint should be taken in the Vickers Bet Mares' Handicap Hurdle.

Three times a winner last term, Corey's Courage rose to a mark of 117 by the end of the campaign and she had fallen down the reckoning a bit since then with a series of moderate efforts.

Obstacles

However, she sparked back into life at Huntingdon last week, winning by eight and a half lengths from a perch of 107 in comfortable style.

Saddled with a 7lb penalty here, Corey's Courage is still 3lb below her highest winning mark.

Icone D'Aubrelle has yet to set the world alight in four British starts, but cannot be discounted from the Follow Vickers Bet On Facebook Novices' Handicap Chase.

A hurdles winner in France before joining Neil Mulholland, three starts

over the smaller obstacles last term yielded little joy and returning from 302 days off, he could finish only third at the first attempt over fences.

While he does not appear to be a new star for owner Robert Waley-Cohen, an event like this should be within his compass.

Galahad Threeewood is the clear form pick at Warwick as he lines up in the BetAtracingtv.com Handicap Hurdle.

He looked set to take a hand in the finish at Doncaster when he unseated his rider at Doncaster on his penultimate run, but made amends with a narrow victory back on Town Moor at the start of the month.

AUSTRIAN WANTS MORE AFTER SCORING FIRST UNITED GOAL

By ANDY MILLOM

MARCEL SABITZER is making no predictions over his Manchester United future after getting his first goal for the club in their come-from-behind FA Cup quarter-final victory over Fulham.

The Cottagers' second-half meltdown, in which referee Chris Kavanagh showed three red cards in 40 seconds to dismiss manager Marco Silva, William and goalscorer Aleksandr Mitrovic, was the story of United's 3-1 win, meaning Sabitzer's first Old Trafford strike was slightly lost in the furor.

Happy

But it was Sabitzer who gave United the lead, flicking home a low Luke Shaw cross from close range, only two minutes after Bruno Fernandes had levelled from the penalty spot, with Fernandes' stoppage-time strike merely adding gloss against Fulham's nine men.

"It's massive, a big win," on-loan Bayern Munich midfielder Sabitzer said.

"We're very happy, but it was a hard game. Fulham are a tough

opponent, good team, good players. We are very happy with the result. "I was just hoping Luke (Shaw) would play me this ball. I tried to hit it with my left one, and I am very proud and a happy moment."

The 29-year-old Austrian joined United on loan from Bayern late on deadline day as Erik ten Hag sought cover for the injured Dane Christian Eriksen.

Sunday was his ninth United appearance in all competitions, and he has already collected a Carabao Cup winners' medal.

Asked about his future beyond this season, Sabitzer said: "I had to make a quick decision (to join) in January. I was focused on

this, it was clear it is just a loan until the summer.

"I take every game as it comes. I am very happy to be here. I will give 100 per cent. Whatever happens in the summer, we will see..."

"I can play

all over midfield. I think, I like to do the dirty work. I like to run, to go forward, box-to-box movements. A lot of transitions and high-intensity games are what I am having here.

"I am very happy to be part of this team, this amazing club, and I feel very welcomed. I am very happy at the moment."

United will face Brighton in the last four with the prospect of a Manchester derby looming after City were drawn against Championship Sheffield United in the other semi-final.

It keeps them

competing on four fronts, something that has created a relentless run of fixtures but one that Ten Hag feels is benefitting his players.

"One thing is important – don't think too far ahead," the Dutchman said.

"Go from game to game, but I think we had a really massive run from Christmas on, 25 games or so. I think two defeats, (four) draws and a lot of wins.

"We see the progress in the team, but this team has a strong character, strong belief, strong determination to win games."

Fight

"Sunday was an example of it. When you have a difficult period in a game, stay in a game and turn the game."

"I think we are in the position we want to be in."

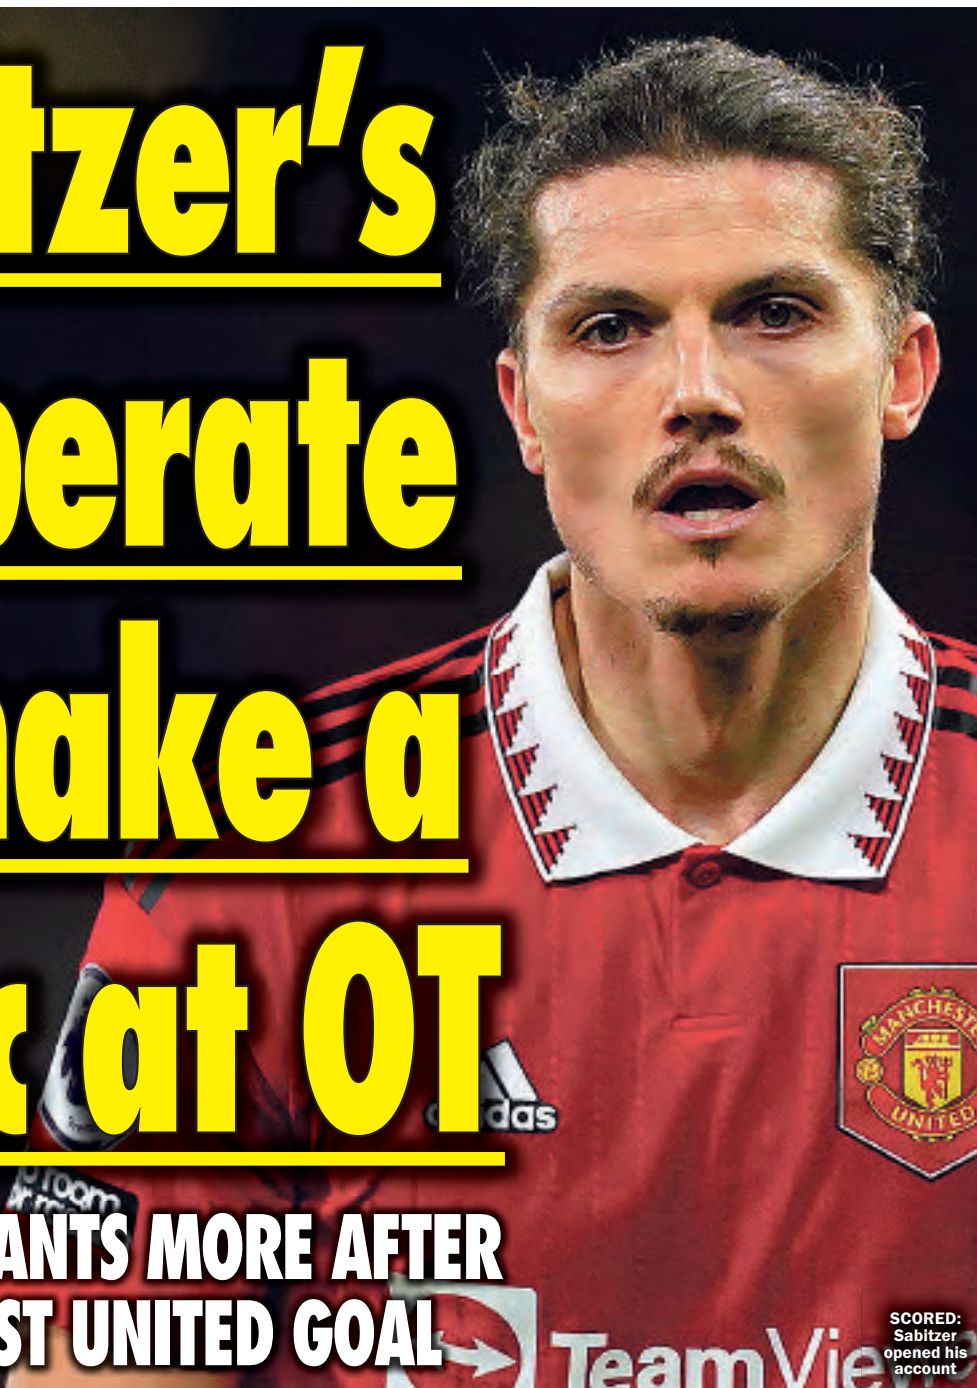

"We battle for it, we deserve it, but trophies are won in the end of the season and we are in the position to win trophies, but we have to fight for it."

"We need the whole squad because we already played from Christmas on every three or four days and that will continue."

"That is what we love, it will give us energy when we can compete for trophies."

ALL TO PLAY FOR IN PREM

THE Premier League pauses this week for the first round of Euro 2024 qualifying matches.

It is the last international break before the season ends on May 28 and everything is still to play for at both ends of the table.

By PAUL THOMAS

Here, *Midweek Sport* assesses what is at stake for each club when domestic action resumes on April 1.

GUNNERS HAVE ELUSIVE

TITLE WIN IN SIGHT

A first Premier League crown in 19 years is Arsenal's to lose as they sit eight points clear of Manchester City in a two-horse title race with 10 games to play.

Pep Guardiola's defending champions have a game in hand and face Mikel Arteta's young pretenders at the Etihad Stadium on April 26 in what could prove to be a pivotal fixture.

City appear to have an easier run-in, but are still fighting on three fronts, while the Gunners have no other distractions.

CHAMPIONS LEAGUE

SLOTS UP FOR GRABS

Five other clubs are in pursuit of a top-four finish.

The third and fourth Champions League places are currently occupied by Manchester United

(50 points) and Tottenham (49) respectively.

But Newcastle (47) and Liverpool (42) both have two games in hand on the Londoners, while surprise package Brighton cannot be discounted.

The high-flying Seagulls are also on 42 points and have played three games fewer than Tottenham. They have to be considered part of the race too.

CHELSEA TARGET EUROPA

LEAGUE CONSOLATION

European football next season remains a realistic target for four other clubs.

Impressive Brentford are level on points with Brighton having played two games more, while Chelsea, sitting 10th, will aim to salvage their disappointing season by finishing fifth to snatch the Europa League slot.

Fulham and 11th-placed Aston Villa have ground to make up in the race for a top-six finish, while a Europa Conference League play-off place still up for grabs.

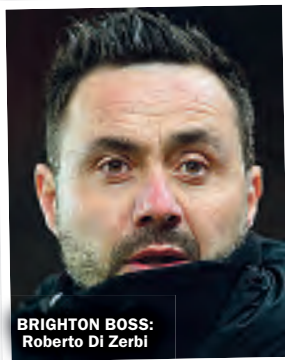

Whether a team like Chelsea would want to play in that competition is another matter of course.

NINE-HORSE RACE TO AVOID DROP

Nine clubs in a heavily-congested bottom half of the table will resume an unprecedented relegation battle.

Just four points separate rock-bottom Southampton and 12th-placed Crystal Palace, who hope to have a new manager in place after controversially sacking Patrick Vieira. Who they appoint next will make a big difference to their survival bid.

Bournemouth and West Ham are in the bottom three, but sit only three points behind 13th-placed Wolves, while Leeds, Everton, Nottingham Forest and Leicester all have their work cut out to avoid the drop.

NORN IRON SACK A SHOCK FOR IAN

IAN Baraclough remains philosophical as he reflects on his Northern Ireland exit.

The former boss has had five months to think about leaving Windsor Park. It makes it no less painful but, as his adopted nation begin life without him this week, there are no regrets for the Englishman.

Northern Ireland start their Euro 2024 qualifying campaign against San Marino and Finland with Michael O'Neill again in charge after Baraclough was sacked in October, 28 months after initially replacing O'Neill.

The dismissal came less than a year after he signed a fresh two-year deal but there

By WES DERBY

is little Baraclough, promoted from the Under-21s in June 2020 after O'Neill's move to Stoke, would have done differently.

"I like to keep things in perspective. That's why I've got no regrets because I did things the way I thought was right," he said.

"The Euros and World Cup qualifications were the things I was always to be judged on so I've no regrets on that and I'm a better head coach for it."

"You've got to be true to yourself, otherwise you'll look back in later life and think, 'why didn't I?' Getting sacked

took me by surprise, the timing, but when I look back now maybe it shouldn't have."

"In hindsight, I maybe should have looked at that a little bit closer and thought 'well, OK, Northern Ireland have got a favourable (Euros) draw and Michael's available.'"

"Do I feel hard done by? It's out of my hands and they've taken the option to head hunt Michael, who would have always wanted the job."

"If you were to speak to 90 per cent of managers they would all feel they'd been harshly treated. But Northern Irish football is in a good place for the future and I felt I played a part in that."

Baraclough, just the second

Englishman to take the job after Lawrie McMenemy, lost 14 of his 28 games in charge but was told he would be judged on his World Cup and Euro qualifiers – rather than the Nations League.

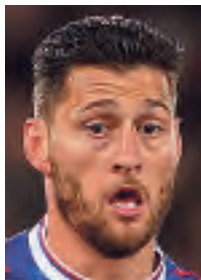

Indeed, Northern Ireland were a game away from Euro 2020 only to lose their play-off final 2-1 to Slovakia in extra time in November 2020.

He added: "Northern Ireland have punched above their weight. That expectation level is probably not fair, to go and qualify every time."

"That's something you have to go and work against and use to your benefit with the players – you're always trying to prove people wrong."

SHOCKER: Joel Ward

Palace stars stunned by Pat sacking

JOEL Ward revealed Crystal Palace's players were surprised by the sacking of Patrick Vieira as the club fights for Premier League survival.

Vieira left his role on Friday after overseeing a winless run of 11 league games, stretching back to New Year's Eve.

Palace failed to score in his last four matches in charge and he was axed by chairman Steve Parish ahead of Sunday's 4-1 loss at leaders Arsenal.

Asked if the squad were surprised by the news of Vieira's exit, Ward replied: "Yes."

"I think anything like that comes as a bit of a surprise."

"The tough thing in football is that it's a results business and we had a tough run of games and the hierarchy have made the decision about the direction they want to go."

"We have to respect that and make sure as a club right from the top, fans to players, we all get together and take care of business."

"Ultimately we're the only ones that can do that on the pitch so we have to stand up and be accountable for that."

Vieira took charge at Selhurst Park in July 2021 and guided Palace to a 12th-place finish last season before form dropped off badly following the World Cup.

"It's a side of the game that no-one really likes to see," defender Ward added on Vieira's dismissal.

"It's not a nice thing to happen in any industry. But we have to rebound from that."

"I'm sure he will go on to do great things in his next chapter."

"The club and players have the utmost respect for him."

"The way he applied himself and how he went about his day to day business, it's disappointing."

"But we now have to focus on retaining our Premier League status and that's the bottom line."

"We have to stick together and make sure we go out there and do the business."

Ward, though, insists he had no preferred new manager now that former boss Roy Hodgson has come back to the club.

"I know the players will get behind him and give 100 per cent," he said of reports linking the 75-year-old with a return.

IT'S ALL GONE A LITTLE BIT BONKIE

BOFFIN BACKS CONTE

Rant 'shows stress manager is under'

A TOP boffin says Antonio Conte should be supported after his amazing rant at his players.

The Italian launched into an astonishing post-match rant after Tottenham's 3-3 draw with Southampton.

But that could have been a self-defence mechanism and influenced by the emotional stress he has been under this season, a leading sports performance coach says.

The Italian went on a 10-minute tirade against his players after they blew a 3-1 lead to draw against the Premier League's bottom club.

Mentality

He accused them of being "selfish", not being able to play under pressure and lacking fighting spirit, saying he could no longer "hide" his real feelings.

Conte, who looks certain to leave his post at the end of his contract in the summer, if not before, is the latest Spurs manager who has been unable to bring silverware to the club, something that will hurt him given his fierce winning mentality.

Sports performance coach Jeremy

By PAUL THOMAS

Lazarus, who has Premier League players, managers and top-level performers in other sports among his client list, believes Conte's desire to protect his identity as a winner could have caused the extraordinary outburst.

"We have all got a sense of who we are and Conte will identify as a winner," he told the PA news agency.

"If our sense of identity gets threatened we don't all respond well to that. We will either put up barriers or do something to preserve our sense of self."

"He almost certainly identifies himself as a winner and he needs to protect that then he will come out all guns blazing."

"It could be a build-up of various factors and there is always a straw that breaks the camel's back. And maybe what he saw on Saturday, compared to what he was expecting, was enough."

"And he thought, 'I've had enough, I can't keep defending the players'. That seems a pretty plausible explanation."

"I don't think there was calculation there, it felt like he thought in his

opinion his players weren't giving their side of the bargain. I am not saying that's the case, I am saying he probably thinks that."

"Some people may have said he was acting. It was not an act, he is a passionate guy and a winner. If he was acting then he is in the wrong profession – it was an Oscar-winning performance!"

Spurs' difficulties on the pitch have been dwarfed by the personal trauma Conte has suffered this season.

Surgery

Fitness coach Gian Piero Ventrone, a strong ally of Conte, and close friends Gianluca Vialli and Sinisa Mihajlovic all died within a few months of each other and then the Italian fell ill, needing emergency surgery to remove his gallbladder – all while living in a hotel in London away from his family.

"We have to look at the backdrop," Lazarus added.

"He has just had major surgery and in the last few months he has lost three very close friends, including the fitness coach."

"If that happened to most people, they would just chill out and take it easy and hide away for a few months,

but Conte can't do that so we have to bear in mind the human side of it."

"Having the loss of people close to you is one of the major stresses in life. It is completely feasible that it would be a factor."

Conte, who has revealed previously that he often has strategies for his press conferences, did not speak to his players in the immediate aftermath of the Southampton game or before his outburst.

They will have seen it on social media as it quickly went viral and Lazarus says their reaction to it could go either way.

"There are undoubtedly better ways to do it," he said.

"If you think about the workplace up and down the country, if your boss takes you to the side and lets you know they aren't happy, then at least you're aware of their feelings."

"If they make it public afterwards then at least they've told you first – you may not like it but at least you understand."

"To hear about it somewhere else first, then many people would be not happy with that."

"For some it could have the desired effect and they'll want to prove him wrong, and for others it could see them go into their shell. He knows

ERS AT TOTTENHAM HOTSPUR

PRESSURE:
There has been a lot going on for Conte on and off the pitch

his players, but if in his mind he believes he has tried everything and it has not worked then he may feel that he had nothing to lose by saying what he said.

"Maybe he feels he only had one option."

WHAT CONTE SAID

In the course of Conte's astonishing 10-minute rant, he said: "We showed that we are not a team. We are 11 players that go into the pitch."

"I see selfish players, I see players that don't want to help each other and don't put their heart in."

"Why? Because they are used to it here, they are used to it. They don't play for something important, yeah? They don't want to play under pressure, they don't want to play under stress."

"It is easy in this way. Tottenham's story is this."

"Twenty years there is the owner and they never won something but why? The fault is only for the club, or every manager that stays here."

"I have seen the managers that Tottenham had on the bench. You risk to disrupt the figure of the

manager and to protect the other situation in every moment.

"Until now I try to hide the situation but now, no."

CHARIMAN DANIEL LEVY'S RECORD

Conte's claims of selfishness in his players are difficult to quantify using data but as for the reasons behind it, and the lack of success under Levy's ownership, the club's competitive record provides some relevant context.

Levy has been the club's chairman and controlling figure since 2001, when he replaced Lord Sugar as chairman in February and took over the day-to-day running of the club in October.

Conte stated that "Twenty years there is the owner and they never won something" and he is almost correct – in the 22 seasons with Levy at the helm, the only addition to Spurs' trophy cabinet is the 2008 League Cup.

The previous two controlling owners, Sugar and Irving Scholar, spent a combined 19 years in charge to provide a comparable timeframe to Levy's stewardship.

Sugar, too, had just a solitary League Cup to show for his decade in the boardroom as Allan Nielsen

scored the winner against Leicester in the 1999 final. Scholar's era brought the 1991 FA Cup, via an extra-time own goal from Nottingham Forest defender Des Walker, and the 1984 UEFA Cup when they beat Anderlecht on penalties.

Levy's club have finished in the top four eight times in 22 years, a feat never achieved under Sugar but four times in nine years under Scholar.

Their average finish of sixth is a slight improvement on Scholar's era – averaging 6.1 compared to 6.7, and 63 points to 62 – while Sugar's era saw them dip on average to 11th with only 52 points.

Levy's era, then, shows a minor improvement in the league table over what went before – and their spectacular new stadium and trip to the 2019 Champions League final are also in his favour – but one trophy in 22 years compared to three in the previous 19 back up Conte's claim of a long-term trend which Levy has been unable to improve.

ALLY BACKS GERS TO CATCH CELTIC

ALLY McCoist believes Michael Beale has already closed the gap on Celtic.

The Ibrox side remain nine points behind their city rivals at the top of the Premiership but have won 13 of their 14 league matches since the Englishman replaced Giovanni van Bronckhorst in November.

Beale's only defeat so far came when Celtic beat Rangers 2-1 in the Viaplay Cup final and Gers' record goal-scorer McCoist believes the two teams are now more closely matched with Beale in the hotseat.

"I definitely think the gap's closed," he said. "League Cup final, there wasn't a lot in it, Celtic probably just the better team."

"The league game at Ibrox, Celtic started well but Rangers should have won the game."

"There's maybe a train of thought that Celtic have slightly got the advantage at this moment in time."

'We have to start winning' says Hodgson as he returns to Palace

By JOHN ANTHONY

CRYSTAL Palace have named Roy Hodgson as their manager until the end of the season.

The 75-year-old former England boss returns to Selhurst Park as the replacement for Patrick Vieira, who was sacked on Friday.

Hodgson, who was in charge of the Eagles between 2017 and 2021, will be assisted by Paddy McCarthy, with Ray Lewington returning as first-team coach.

Hodgson takes over his boyhood club with Palace lying 12th in the Premier League, three points above the relegation zone, after a 12-match winless run.

The former Liverpool and Fulham manager said on the Palace website: "It is a privilege to be asked to return to the

BIG CALL: Parish

club, which has always meant so much to me, and to be given the important task of turning the team's fortunes around.

"Our sole objective now is to start winning matches, and to get the points necessary to ensure our Premier League status."

"Crystal Palace is known for its fighting spirit, and I have no doubt that all our supporters will fight with us, beginning with the visit of Leicester City a week Saturday."

Palace chairman Steve Parish said: "I would like to welcome Roy and Ray back to the club."

"We are obviously in a very challenging period but we believe that Roy's and Ray's experience, knowledge of the club and players, alongside Paddy can help fulfil the immediate requirement of keeping us in the league."
